NEW COLLEGE, SARASOTA, FLORIDA  
FURMAN C. ARTHUR — INFORMATION

FOR IMMEDIATE RELEASE

Feb. 1, 1966

Paul Wolfe, conductor of the Florida West Coast Symphony Orchestra and adjunct professor of Music at New College, returns to Oak Ridge, Tenn., Sunday to perform a concert postponed last Saturday by heavy snows.

Wolfe will be guest soloist performing Eduard Lalo's *Symphonie Espagnole* with the Oak Ridge Symphony Orchestra under the direction of Franklin Choset.

Violinist Wolfe last week traveled to Oak Ridge and attended one rehearsal before the snow. Members of the orchestra come to Oak Ridge from Chattanooga and other surrounding communities and could not travel over the snow-clogged highways.

The postponement also permits Wolfe to rehearse with the full orchestra, which his previous schedule prohibited.

Wolfe last year conducted a string clinic at the University of Tennessee in Knoxville.
