NEW COLLEGE, SARASOTA, FLORIDA  
FURMAN C. ARTHUR - INFORMATION

SPECIAL TO: La Grange Citizen, La Grange, Illinois

FOR IMMEDIATE RELEASE

Sarasota, Fla.--Rachel Findley, daughter of Dr. and Mrs. Thomas W. Findley, La Grange, has been elected a representative on the student government at New College.

Miss Findley, in her third year at New College, was elected to the Student Executive Committee by her classmates in the class of 1967. She is one of three representatives elected from her class to the nine-member committee.

Following her election, she was named secretary of the governing committee. She was also appointed to the Student Academic Committee. As a member of this committee, she will participate in an examination of the college's curriculum by the students and subsequent recommendations to the faculty.

New College, now in its third year of operation, is a college of the liberal arts and sciences offering a bachelor's degree in three full years of study. The school maintains a high faculty to student ratio and stresses small classes, seminars, and independent study.
