Guiding decisions for the May 4 Woman's Library Association of New College benefit dinner-dance, to be held at the new Hamilton Court on the New College campus, is Mrs. W. A. Hollister (right) general chairman, conferring with Capt. Ralph E. Styles, Director of Planning for the college, and Mrs. Carl Hamilton. Gifts to the college by Mrs. Hamilton made possible the new building, designed by famed architect I. M. Pei, and she will be guest of honor at the WLA-sponsored event, which is being held to further the association's program of assisting in the growth of the college library.
