With the nearly completed buildings of New College's Hamilton Court behind them, Mrs. W. A. Hollister (right), Mrs. Carl Hamilton and Capt. Ralph E. Styles make plans for the May 4 Woman's Library Association of New College benefit dinner-dance. Mrs. Hollister is general chairman for the first major benefit by the WLA and the proceeds will help the college library grow. Mrs. Hamilton, of Venice, helped make possible the construction of the new building by her gifts to the college and she will be honored guest at the May affair. Capt. Styles is planning officer for the college.
