FOR IMMEDIATE RELEASE

SARASOTA, Fla.--Harry Felder III, son of Mr. and Mrs. Harry Felder Jr. of 4474 Calle Dell Norte, Phoenix, was a member of a team of three New College students that placed 30th among 223 of North America's top colleges and universities in mathematics competition.

Felder, who is expected to graduate with a bachelor of arts degree in June as part of the three-year program at New College, was one of three students to represent the college in the 28th annual William Lowell Putnam Mathematical Competition.
